

## NEW WHEEL ALIGNER GEO 8

It is our pleasure to introduce **GEO 8**, our new wheel aligner which has just become part of our family of products.

CORMACH offers you an extremely modern product with a great combination of technology and advantageous terms. On the basis of a thorough market research we have plenty of elements to believe that our GEO 8 with **WIRELESS transmission** will be a winning product and we will be pleased to share with our customers these valuable information.

The main features about this wheel aligner are listed in a new brochure
