

**CORMACH NEWS N°1 OF APRIL, 14<sup>th</sup> 2010**

## **NEWSLETTER**

Dear customers,

With this issue of April 2010, we inaugurate our CORMACH NEWS.

The newsletter is an efficient service of information related to the news of Cormach and it will allow us to share our main initiatives with our customers.

We believe that this is a very important tool, a new way to strengthen the relationship between Cormach and its clients.

The newsletters will deal with many different topics and in the next one for example you will find the introduction of some products which have recently joined our range of products. Every issue will be dedicated to a specific subject: the introduction of a new article, news, business projects or general information.

We intend to keep an easy-reading service: further information and closer examinations can be found on our website [www.cormachsrl.com](http://www.cormachsrl.com) and will be indicated by special links in the newsletter itself. You are all invited to take part in our newsletters sending your suggestions and requests about every particular subject you would like us to deal with: your support is highly appreciated!

Believing that CORMACH NEWS represents an useful service of mutual interest, and trusting in its good appreciation, we take this opportunity to send all customers our Kindest Regards.
